Company Overview

At Burj Al Najm Group of Companies, we specialize in delivering comprehensive soft services solutions across a wide range of sectors including commercial, residential, hospitality, healthcare, education, retail, government, and industrial spaces. With a clear vision to be the most trusted and innovative soft services provider, we are committed to revolutionizing the service industry through a strong focus on innovation and sustainability. Our mission drives every service we deliver from routine facility maintenance to specialized support solutions tailored to dynamic business environments.

We offer a comprehensive suite of services, including janitorial and hygiene services, housekeeping, concierge and reception, hospitality staffing, laundry and waste management. **Each solution is customized** to meet the specific operational needs of our clients, whether for ongoing support, one-time projects, or short-term staffing.

Backed by professional expertise and a client-first approach, we ensure seamless operations and consistent service quality across every site we manage. Our reputation is built on dependability, responsiveness, and the ability to scale quickly to meet the evolving demands of our clients.

Mr. Mohamed Manasir Mansoor
